

FOREIGNER

AND THE SCRANTON HIGH SCHOOL ADVANCED CHORUS JOIN FORCES WITH VH-1 TO SAVE THE MUSIC

Foreigner is proud to be associated with VH-1's Save The Music Foundation, an organization dedicated to providing help for music education in public schools.

Tonight Foreigner is raising money to benefit this program with a little help from hometown heroes, the Scranton High School Advanced Chorus.

The students from the Scranton High School Advanced Chorus will be selling Foreigner's 3-disc album package, *Can't Slow Down*, for just \$20 tonight with a special donation of \$10 from each sale going to VH-1's Save The Music charity.

Foreigner donated a signed Les Paul guitar that a lucky raffle ticket purchaser can win. Raffle tickets come with the purchase of a CD set from one of the students. The winning number will be announced at or near the merchandising stand following the end of the concert.

We encourage everyone to experience and support the students of the Scranton High School Advanced Chorus as they help Foreigner and VH-1 Save The Music!

Later on tonight you'll experience your hometown students as they perform, "I Want to Know What Love Is" LIVE ON STAGE WITH FOREIGNER!

Enjoy the show and thank you for helping Foreigner, VH-1 and The Scranton High School Advanced Chorus Save The Music.
