Game Directions

Screen 1: Appears at first walk up to Kiosk and explains how the contest works and how to get started

Screen 2: After the patrons card is swiped, screen 2 will appear and ask the contestant to enter their Players Club pin number. This will assure that if free play is awarded, it will go to the right account

Screen 3: Three cards will appear on the screen. The patron will choose one by clicking on it

Screen 4: After a player chooses a card from screen 3, Screen 4 will launch revealing the prize that they have won.

**Free play will appear on the patrons Players Club card, where as all other prizes will produce a slip from the Kiosk that the patron will have to bring to the Players Club booth in the Valet lobby to redeem their prize.
